

C7 NL-

rockX Accessory Carabiner
Part Number: C7 NL-(color code)
MBS: 5kN
Weight: 0.2lbs (10gm)
Not for climbing

The rockX accessory carabiner is a compact and strong utility carabiner that's easy to grip and useful in a multitude of situations requiring a strong but lightweight, non-PPE connector.

The rockX is available in a light grey, orange and red frame.
